(March/April)

The Upper Secondary Education

The 15 questions

•Each answer in the single question has focus on a specific need and has a score, i.e.

I expect that my overall grade points at the end of the school year will be?

10 or more (0 points)

Between 8-10 (0 points)

Between 6-8 (0 points)

Between 4-6 (0 points)

Between 2-4 (10 points Insufficeint study qualifications)

2 or less (10 points Insufficeint study qualifications)

The more points, the more need

The 15 questions

The answers each pupil into a survey-system

Excel

Two kinds of activities:

- Individual guidance
- Workshops

And this is how the selection is made!

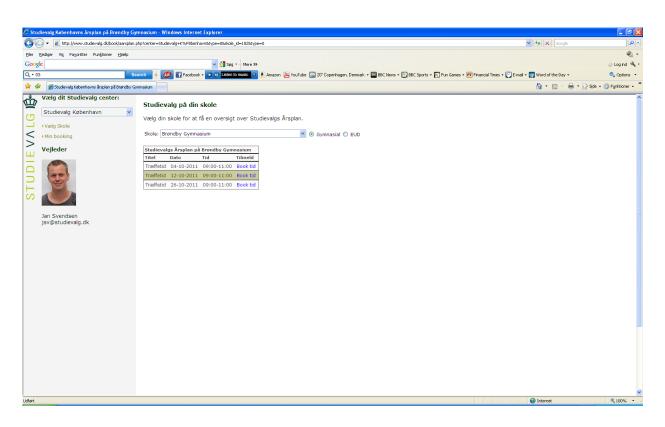

The invitation

Pupils selected, are firstly invited through e-mail

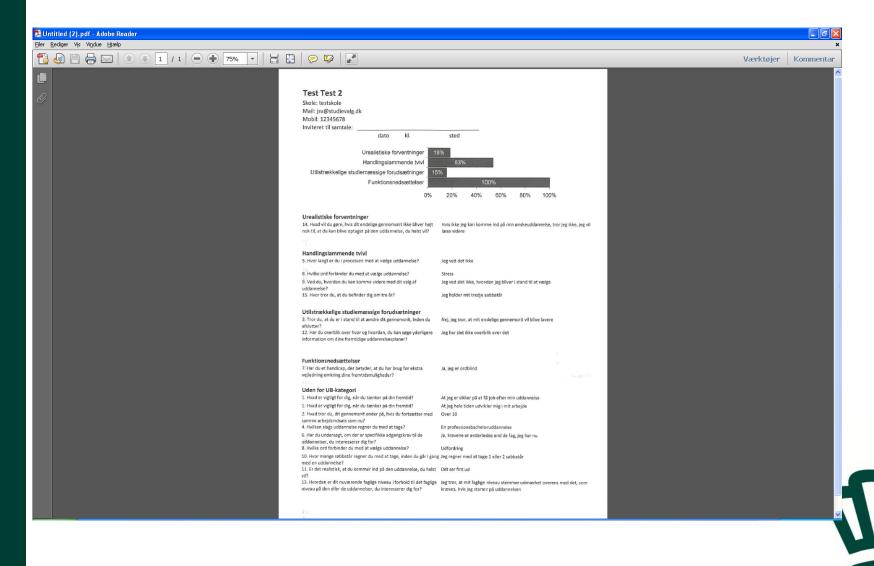

When no response – SMS is sent

Everything is handled in a bookingsystem

Working with the pupils individuel guidance

Working with the pupils Workshop

- Workshops dealing with specific needs (i. e. big doubt)
- The pupils meeting other pupils with same difficulties choicing higher education
