Team Ung

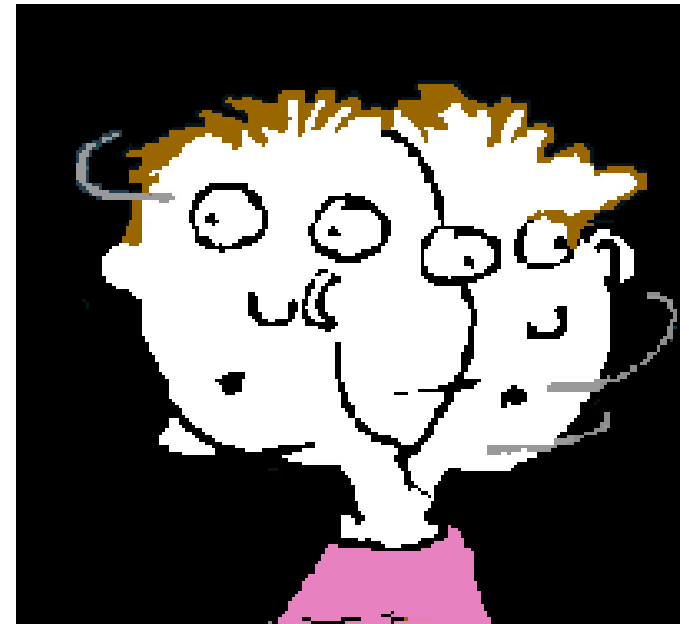

Team School

- There are 40 schools in our region
- 10 private schools
- 16 counselors
- In the area of UUV each counselor has the responsibility of 2 - 3 primary and lower secondary schools.

Youth education counseling for young people with special needs.

- These pupils can get extra support in many different ways in order to enable them to take an education.
- 3 Private schools
- 12 Special schools
- Schools with special classes
- STU
- EGU
- EUD with SPS

Team Young

In the 4 municipalities there are approximately 12.000 young people between 15 and 25 years old. And if any of them are in an unsatisfactory education, or employment situation, they will be contacted.

Screener: UUV Køge Bugt

Baseline:

- Outreach guidance - more in education
- Young people appreciate the outreach contact and guidance without pressure
- Little attention often leads to large step towards education

Team Young and duties

Target group:

- Providing guidance for young people 15 to 17 years and offers guidance to young people from 18-24 years.
- Providing guidance for young people about their choice of education and occupation, when they have fulfilled compulsory education, and neither are doing or having completed an upper secondary or higher education.
- Guidance is offered continuously, until the age of 25 or until start in a regular education.

A special obligation for the 15 to 17 year olds

- To provide guidance to this group of young people into education, employment or other activity designed to ensure that they are pursuing an education in line with their education plan.
- UUV contacts the 15-17 year olds within 5 working days after the UUV has been informed that the young do not follow his education plan.
- UUV offers 15-17 year olds a new activity within 30 days after contact is established.
- UUV shall notify a local authority on young people who do not follow their education plan.

Synchronized leaping

Two ways of thinking

Walk hand in hand

Synergy effect:

1. Holistic and face to face guidance
2. Hard-core data and registration
