

# French contribution to ELGPN

- The French ELGPN team organises a seminar « Networks cooperation for lifelong guidance from the national level to the European level » on June 24th at the Ministry of education.
- This initiative takes place in the ground of the European commission recommandation to ELGPN.

# French contribution to ELGPN

- This meeting aims at :
  - Improving the ELGPN visibility ;
  - Gathering all the networks dealing with guidance and having an european dimension ;
  - Strengthening the leadership of ELGPN;
  - Developing a close connection between guidance professionals and researchers.

# French contribution to ELGPN

4 types of participants are invited:

- Guidance professionals ;
- Information and services providers ;
- Researchers ;
- Ministry representatives for schools, higher education and employment.

# French contribution to ELGPN

- 3 thematic workshops will be set up:
  - Communication ;
  - Assessment ;
  - ITC and guidance.

# French contribution to ELGPN

- The expected outcomes :
  - Setting up a sustainable cooperation under « ELGPN umbrella » between networks and all the participants ;
  - Creation of a guidance repertoire presenting:
    - Networks,
    - Researches,
    - Services providers,
    - Ministries units.

# French contribution to ELGPN

- The expected outcomes :
  - This repertoire will be on line and published for guidance professionals, researchers and ministries.

# French contribution to ELGPN

- This meeting is the first step :
  - to implement a relevant collaboration and communication;
  - to better take in account lifelong guidance dimension in development of guidance policies.
