Lessons learned

From cooperation, communication, coordination to more proactive forum

Planning: clearly defined objectives, tasks, procedures

raining. Clearly defined objectives, tasks, procedures

Representation of key stakeholders – stability and alternates

Efficacy: building capacity to influence the activities within stakeholder organizations

Platform for learning about/from best practices

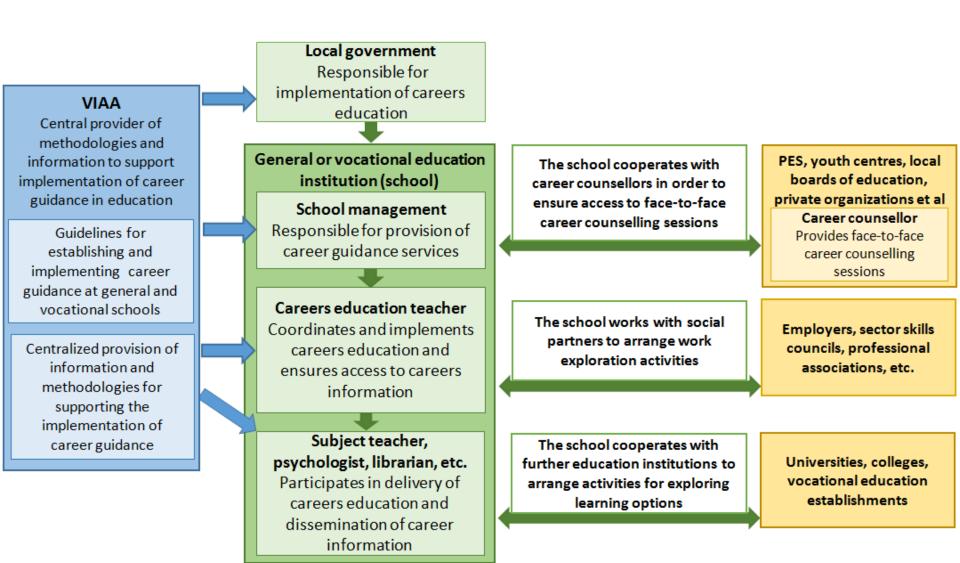

Opportunities

New project: Career Guidance in schools 2016-2020 New project: devepment of competence based curriculum in general education 2016-2020 Staff development for LLG Testing and adaptation of ELGPN tools and publications Practical cooperation among stakeholders on national and local level

Challenges

Cooperation: education and employment sector		
Synergy between the projects		
Awareness of the benefits of LLG		
The number and quality of the staff in LLG services		
Development of CMS framework		
Improvement of staff competences		
Career education and counselling in schools		

Career guidance in education sector (stakeholder areas of responsibility and cooperation)

Keep in touch and see you maybe in Riga!

Ministry of Education and Science Republic of Latvia
